### Requirements for Successful Completion of this CNE Activity

In order to obtain a CE Certificate for this activity, the learner must complete the following criteria *by March 31, 2022*.

- Access the Symposium presentations from this account - only accessible to registered Symposium attendees.
- View each of the educational sessions for which you desire Nursing Contact Hours
- Complete the brief online survey for each session, and at the conclusion of viewing all applicable sessions, complete the overall Symposium evaluation.

Once you complete the final online survey, a CE certificate will be emailed to you within 4 weeks.

### Conflict of Interest Disclosures

The planners and speakers for this CNE educational activity have attested that they have and will provide the best available evidence for this content and present information fairly and without bias. The planners and speakers have disclosed any relationships with commercial interest organizations which are detailed in a document accessible from the home page of this Symposium.
